

# Manotick Village BUTCHER

Welcome to the first official newsletter of the Manotick Village Butcher! This newsletter is intended to be a weekly occurrence and your regular resource for finding out what is going on in-store, what events we are planning and, most importantly, what specials we are offering.

We will have special offers available in every issue, typically starting on Thursdays and lasting a week. The newsletter will be sent to all registered customers on Wednesdays so you can take advantage of the specials before we run out.

Our products are all locally sourced and delivered by the farmer. While our prices may fluctuate some, based on the prices we pay the farmer, we work to keep the prices fair for all while still providing top quality meats that are healthy and very tasty.

Currently we are receiving meat from O'Brien Farms, Snowdon Farms and Lyons Turkey Farm and eggs from Beking Poultry Farm. We also carry a selection of cheese from the International Cheese and Deli shop in the Market. In September we will be carrying milk from Cochrane's Dairy and Major Craig's Chutneys.

If you are looking for something special, different, or something you don't see in the case, please let us know. We receive meat usually by the side and we don't prepare the entire side for display at one time so a cut not in the case may be in the cooler.

We hope to see you soon!
