

Manotick Village BUTCHER

With Labour day behind us the mercury is now starting to fall, school's back in session and in seasonal eating terms it is time to start thinking about warming meals and healthy, filling brown-bag lunches.

As always we are here to help with that. As pork is traditionally the Fall & Winter meat this week we have pork chops on special; not just one specific chop, but all of them, - rib, butterfly, loin, you name it, if it is pork and a chop it is 20% off. And to help with lunch, arriving in this week we have deli meats!

Why not try one of Major Craig's Chutneys alongside your chops, or to spice up your sandwiches. Major Craig's are the first micro-processor to be Savour Ottawa certified, and their delicious range of chutneys are now available in store. Other new additions to our product lines are Beking's eggs and Cochrane's milk.

While I am thinking about chutney, they make a delicious cranberry chutney, which would be the perfect accompaniment to your holiday turkey. And now is the time to be ordering your Thanksgiving and Christmas turkeys from us. You wouldn't want to miss out.

We hope to see you soon!
