

Manotick Village BUTCHER

We're talking Turkey - Again!

We want to remind you to "Reserve your bird". Some of you have reserved already. The birds have already been ordered and we know when they will be here. We're sticking with the high quality fresh birds from Lyons Turkey Farm in Spencerville.

For a reasonable amount of leftovers 1.5 lbs per adult, if you love leftovers then go as high as 2lb per adult. If you just want a boneless breast, a full breast on the bone or something else let us know. For approximate costing for your fresh full turkey work on \$4 per lb and you won't be far off.

Seasonal

You know that it is close to "The Season" when Tourtiere or meat pie is requested and we're making them along with our chicken pot pie. Cochrane's Dairy are in on the act as we have their fabulous Egnog here! Many of you have already been in to get some and have been back for more! Ham is not necessarily seasonal but that's when everyone thinks about it. A beautiful leg of pork that is brined and warm smoked to perfection. Ask and yea shall receive. Do you know someone who loves their meat? Why not give them a gift certificate from your favourite butcher? Ask about them when you're in store. We'll be open for business on the 23rd & 30th December for you to collect your Christmas orders - yes they are Mondays! Additional information regarding our Holiday hours are posted at the store entrance.
