

# Manotick Village BUTCHER

## Fresh, fresh and fresh!

It's not just meat that we have in the store, there's also some fruit and vegetables thanks to our friends at Suntech. And now starting on Saturday March 22<sup>nd</sup> we'll also have some fresh bread! Courtesy of Ronnie's Breads in Kars we'll have fresh loaves and rolls for the weekend. Ronnie delivers his bread personally and it will be at the store ready for when we open.

Just imagine your Sunday morning breakfast - bacon, eggs (from Bekings), Suntech tomatoes and Ronnies Bread! Or, do you prefer pancakes made with Buckwheat (from CIPM) and Stanley's maple syrup. All served with your favourite NoGo coffee.

## Local Ontario Lamb

Once again we have been out and about looking for farmers to provide us with the best produce they have. This week we're happy to say that we will start carrying lamb from Colleen Acres of Maple Meadow Farms near Osgoode.

## Easter

Remember to get your order in for Easter soon. Fresh lamb, smoked ham or even turkey (Lyons only have frozen available at this time of year).

## In Other News

We're keeping the shop freezer full for you and switching the available product too. This week we're adding some duck breast and legs from Mariposa. These packages will join other frozen poultry products from Lyons Turkey Farm; sausages, ground breast or thigh and turkey bacon!

To find out how we are doing in your eyes we have an online survey we would be grateful if you could complete it can be found at <https://www.surveymonkey.com/s/9HQXRHL>
