

# Manotick Village BUTCHER

## Labour Day - Long Weekend

It's Summers' last hurrah, and we're all hoping for some great weather. There's nothing like spending a relaxing day with friends and family, be that at the cottage or the back yard.

We'll have all of your favourite dry aged bar-b-que steaks available for the coming weekend. If you require something a little special then let us know and we'll make sure you get it.

---

## A little bit of fish

We've had a good response to the fresh fish we have been getting from "The Whalesbone" this season. If you don't get the chance to pick some up over the weekend then you can find some in our freezer.

We place our order on a Wednesday, if you require something special let us know and we will order it in just for you, as long as it is available of course.

---

## New Neighbours

Although we were sad to see Sushi Sun leave, we are also happy to welcome V's cupcakes. They have a great selection of cupcakes, all of which are made fresh daily. Drop in and give them your support.

---

## Variety in the Counter

Over the Summer Lothar and Rene have ensured that we have at least 30+ different beef cuts available in the counter. If you can't find something in the counter or need some additional inspiration please ask - we're here to help.
