

Manotick Village BUTCHER

As you no doubt know we 'quietly' opened back in July and decided to wait on having our Grand Opening until we had had some practice and a chance to work out the kinks of a new store. Well, now we are ready!

We really hope that you will join us this weekend as we celebrate our GRAND OPENING on Saturday!

Special guest Jennifer McLagan, widely read food journalist, cookbook author and one of Canada's most sought after food stylists will be joining us and signing copies of her award winning books "Fat" & "Bones" from 1pm till 4pm. If you don't already have a copy of her books don't worry we will have copies available.

Local celebrity Steph the Grilling Gourmet, star of the new Rogers TV series 'Grill This, Smoke That', will also be joining us, and will be cooking up a storm from noon till 5pm.

Of course what celebration would be complete without a special offer? So we will be having a Grand Opening Pot Roast sale!

We hope to see you on Saturday!
